Meeting Schedule for the month of May 2026:

Trenton Town Council will meet on Tuesday May 5, 2026 at 7:00 p.m. in the Trenton Town Hall.

Trenton Town Planning commission meets on Tuesday May 19, 2026

ALL AGENDA ITEMS NEED TO BE IN ONE WEEK PRIOR TO THE MEETING All are welcomed to attend and listen to what is happening in Trenton!

Summer is just around the corner and with summer comes the 2th of July Pioneer Day celebration. We are looking for all sorts of help that day, if you are willing to help out in any way large or small please contact Councilmember Stacey Wangsgard.

Spring Clean up

How nice to have the roads sides in Town clean and tidy for the summer season! Thanks to all those who participated in the town clean up day!

A big thanks to Sheri Newton for planning and making the clean-up happen! She spent many hours on the event!

Some numbers:

*Trash was removed from 30 roadside miles.

*23 Trenton households volunteered to clean a section of roadside

Special thanks to the Trenton and Cornish Ward youth groups of the Church of Jesus Christ of Latter-day Saints.

Thanks to those who helped with the volunteer lunch

Thanks to Casper's Ice Cream for their donation.

Parks and Recreation:

A huge thanks to all those who donated to our town eater egg hunt! Thanks to Alta Bank for all the extra eggs; Pepperidge farm for the yummy treats and Casper's Ice Cream for some tasty ice cream!

Work on the new restrooms is happening! The restrooms and should be completed in the next few months. Please keep your little ones away from the construction site to avoid any accidents!

Town clean up:

There are two dumpsters available for town peoples use. The first is the large dumpster located in the parks parking lot, this will be available for the next week, or until full. The second is the green waste dumpster, this is located behind the post office, it will be in Trenton all summer!

Water:

Water meter changes happening- Trenton was awarded a Federal grant to swap our current meters out for ones that will read with the cellular network- this will help improve reading and maintenance. Please be aware that this may cause a brief water shut off while the change is taking place. We will have more information in future newsletters.
