Meeting Schedule for the month of June 2026:

Trenton Town Council will meet on Tuesday June 16, 2026 at 7:00 p.m. in the Trenton Town Hall, this will include a budget hearing for the 2027 fiscal year.

Trenton Town Planning commission meets on Tuesday May 19, 2026

ALL AGENDA ITEMS NEED TO BE IN ONE WEEK PRIOR TO THE MEETING All are welcomed to attend and listen to what is happening in Trenton!

We are excited to share our 2026 t-shirt design- more information will follow, including prices, order forms and color choices.

For up to date info please see the town website under "newsletters".

The 24th of July celebration is being held on Friday, July 24 with the fun starting first thing in the morning!

America is 250 years old this year!!! The United States officially measures its national age from July 4, 1776. On this date, the Second Continental Congress adopted the Declaration of Independence, officially severing the 13 American colonies from British rule to become an independent nation. **We think it would be great to show your patriotism by displaying a flag(s) outside your home for the entire month of July. There will also be activities celebrating this event coinciding with our with Pioneer day celebration!**

The website <https://america250.org/> additional information and some great ideas to help celebrate this amazing milestone in our country's history.

Parks and Recreation:

Summer is just around the corner and with summer comes the 2th of July Pioneer Day celebration. We are looking for all sorts of help that day, if you are willing to help out in any way large or small please contact Councilmember Stacey Wangsgard.

Cemetery reminder

Grave decorations, funeral designs, flowers, or other items placed during interment shall be removed within seven (7) days following the interment. Items left beyond the seven days will be removed by cemetery personnel. • All items placed on graves during the Memorial Day observance will be removed on the Monday following Memorial Day.

Dumpsters:

There is a green waste dumpster, located behind the post office, it will be in Trenton all summer!

Water:

Water meter changes happening- Trenton was awarded a grant to swap our current meters out for ones that will read with the cellular network- this will help improve reading and maintenance. Please be aware that this may cause a brief water shut off while the change is taking place. The swap should be happening at the beginning of June, please watch for the individuals doing the work and be cautious as you drive around town.
